This one here's for all the snitches

To the snitch alibi n-gga I cant tell  
I know you gon tell, I know you know well,  
On the block plotting us, while we make our mill  
while you claim to be a gangsta n-gga  
I can tell n-gga, n-gga I can tell, n-gga you gon tell  
and before you go to jail n-gga you gon tell  
before you get a bail n-gga you gon tell  
to the snitch alibi's  
I know you n-ggas is fed up

lose dough cause you in the crack game like a scared hoe  
so, n-gga ya better be careful  
There are rules in this game  
better not say my name  
gotta watch how you play cause  
they gon tell, they gon tell  
There are rules in this game  
better not say my name  
gotta watch how you play cause  
they gon tell, they gon tell  
To the snitch alibi n-gga I cant tell  
I know you gon tell, I know you know well,  
On the block plotting us, while we make our mill  
while you claim to be a gangsta n-gga  
  
I can tell n-gga, n-gga I can tell, n-gga you gon tell  
and before you go to jail n-gga you gon tell  
before you get a bail n-gga you gon tell

To the snitch alibi n-gga I cant tell  
I know you gon tell, I know you know well,  
On the block plotting us, while we make our mill  
while you claim to be a gangsta n-gga  
I can tell n-gga, n-gga I can tell, n-gga you gon tell  
and before you go to jail n-gga you gon tell  
before you get a bail n-gga you gon tell  
to the snitch alilbi's  
They gon tell, they gon tell, they gon tell

To the snitch alibi n-gga I cant tell  
I know you gon tell, I know you know well,  
On the block plotting us, while we make our mill  
while you claim to be a gangsta n-gga  
I can tell n-gga, n-gga I can tell, n-gga you gon tell  
and before you go to jail n-gga you gon tell  
before you get a bail n-gga you gon tell
