

This Is Just What Heaven Means To Me

Goodman Revival

This is Just What Heaven Means to Me
A country where no twilight shadows deepen
 Unending day when light will never be
A city where no storm clouds ever gather
 This is just what heaven means to me
A place where there is no misunderstanding
 And from all enmity and strife, we're free
No unkind words which wound the heart are spoken
 This is just what heaven means to me
What will it be when we get over yonder
 To join the throng upon the glassy sea
We'll greet our loved ones and crown Christ forever
 This is just what heaven means to me
And when at last we see the face of Jesus
 Before whose image other loves all flee
And when they crown him lord of all I'll be there
 This is just what Heaven means to me
What will it be when we get over yonder
 To join the join the throng upon the glassy sea
We'll greet our loved ones and crown Christ forever
 This is just what heaven means to me
Well greet our loved ones and crown Christ forever
 This is just what heaven means to me
 This is just what heaven means to me
