Calling

Raphael Saadiq

Tengo tanto que decirte
Pero como empesar
Yo deveras si te quise
Pero ya no puedo masYa no puedo mas
Ya ayy ya no puedo mas
Ya ayy ya no puedo masYes, I'm calling for you baby
Oh, please pick up the phoneI've called you so many times
And you don't bother to pick up the line
And how's a man suppose to get along
When his better half won't come back homeMy love for you will never go away
That's why I need you here today
I keep tryn' to call but you don't answer the phone
You don't want me no more, ohYes, I'm calling for you baby
Oh, I'm calling, calling, calling
Please pick up the phone
Could you please pick the phone for me baby?Oh, oh I, my love can you please come home?
There were many things that went wrong
But if we tried, oh how hard could it be
When there's still love for you and love for meSee my love for you will never go away
That's why I need you here today
I keep tryn' to call but you don't answer the phone
'Cause you don't want me no more, oh
I need you babyTengo tanto que decir te
Pero, pero donde empezar
Ya de veras si te quise
Por favor te pidoQue ya no puedo mas mi amo
(Yes, I'm calling for you baby)
There ain't nothing I won't do if you pick up the phone
(Please pick up the phone)
Can you please answer the phone for me baby?Yes, I'm calling for you baby
I need you baby, please
Please pick up the phone
I love you baby, I love you darling
I love you baby
