Given To Fly

Pearl Jam

He could've tuned in tuned in
But he tuned out
A bad time nothing could save him
Alone in a corridor waiting locked out
He got up outta there ran for hundreds of miles
He made it to the ocean had a smoke in a tree
The wind rose up set him down on his kneeA wave came crashing like a fist to the jaw
Delivered him wings "Hey look at me now"
Arms wide open with the sea as his floor
Oh power ohHe's.. flying
Whole
High.. wide, ohHe floated back down 'cause he wanted to share
His key to the locks on the chains he saw everywhere
But first he was stripped and then he was stabbed
By faceless men, well, fuckers
He still standsAnd he still gives his love, he just gives it away
The love he receives is the love that is saved
And sometimes is seen a strange spot in the sky
A human being that was given to flyHigh.. flying
Oh, oh
High.. flying
Oh, oh
He'sflying
Oh, oh
