Just Because

Body Language

Last night, we were working alright
Got it all under control
We were doing what we always do right
Layin' low out of trouble
I didn't see it coming up on me fast
Spilling money all over the floor
Well its going... Not that its allways ends up fallin' on me
Just because you want it
Doesn't mean you get it
Just because you want it
Doesn't mean you get it
But you can't always get what you want
You get a little more
Staight foward, He'd be lookin' our way
Hanging on the heads of the towells
Couldn't see so I didn't know why
Too for too late
(Can you please give me) One myself the chance
'Cause you have to, We have to
Write about the monkeys
Always doing, baby, on the, hey hey hey, hey hey hey yea
You know you've read about the monkeys
Always good at banging on the, hey hey hey yeah
hey hey hey yeah
Just because you want it
Doesn't mean you get it
Just because you want it
Doesn't mean you get it
Just because you want it
Doesn't mean you get it
Just because you want it
Doesn't mean you get it
But you can't always get what you want
You get a little more
But you can't always get what you want
You get a little more
But you can't always get what you want
You get a little more
But you can't always get what you want

You get a little more
