Between Two Points (feat. Swan)

The Glitch Mob

We've got forever
Slipping through our hands
We've got more time
To never understandFalling footsteps
Weighing heavy on meBehind darkness
Beneath candles
Whispers waltz
Around our dreamsThe shortest distance
Between two points
Is a line
From me to youThe shortest distance
Between two points
Is a line
From me to youFeet turning black
Is this the path we must walk?
No turning back
Wish I could just hear you talkCan something like this be pulled
From under our feet?
Leaving our skinAnd burning coals to meetTell me nowThe shortest distance
Between two points
Is a line
From me to youThe shortest distance
Between two points
Is a line
From me to you
