

# Addictive Love

BeBe Winans; CeCe Winans

Way higher, yeah  
Yeah, yeah All I wanna do is just explain  
Why that we feel the way we do  
What a joy to share with you  
For me to live, is Christ to die, is gain  
If anymore I need to say  
The list goes on and on all day Ill cherish that moment for life  
And I know it might sound crazy  
Its alright, take a seat, hold tight Time to admit  
(Time we should admit it)  
Im so addicted, yeah  
You see, Hes taken my heart  
And showed me the right way No doubt about it  
(Doubt it, no doubt)  
See, Im lost without it, yeah  
You see this love takes me higher  
I didnt know why then  
I found it was addictive love, yeah  
Woo, hoo, yeah Now that weve evened up the score  
Hey, what do you mean theres so much more  
I need to tell why we adore  
The reason why I smile when I, when I wake up  
And also the reason why I dream  
Reason why I dream  
My love, my joy, my everything And Ill cherish that moment for life  
(That moment for life)  
And I know it might sound crazy, crazy  
Its alright, take a seat, hold tight  
(Alright) Time to admit it  
(Time we should admit it)  
Im so addicted, yeah  
You see, Hes taken my heart  
Taken my heart, yall  
And showed me the right way  
(Showed me the right way) Theres no doubt about it, no  
(Doubt it, no doubt)  
Im lost without it, yeah  
You see, this love takes me higher, yeah, yeah  
I didnt know why then

You see, I found it was addictive love, hey, yeah, yeah  
So much love(Hes given to me everything I longed for)  
And everything I need  
That means Im never alone, so glad  
(And everything Ive dreamed and much more)  
Yeah, yeah, yeah, yeah, yeah, yeah  
So much moreAnd Ill cherish, cherish the moment, that moment for life  
For the rest of my life, yeah, yeah  
And I know it might sound crazy but its not crazy, no  
Im not crazyIve never known anyone to love me quite the way You do  
And I tell You  
Its hopeless, Ive finally, hopeless, noticed that  
Im just forever addicted, forever  
Forever in love, hey, yeah, yeah, yeah(Time we should admit it)  
Hold tight  
You see, Hes taken my heart, heart, yall  
And showed me the right way  
(Showed me the way)Theres no doubt about it  
(Doubt it, no doubt)  
Show me the right way  
See, Im lost without it, yeah  
You see, this love takes me higher, higher  
I didnt know why then,  
I didnt know why, I didnt know I was addicted(Time we should admit it)  
Hey, yes, I am  
You see, Hes taken my heart, my heart  
And showed me the right way  
(Showed me the way)Theres no doubt about it  
(Doubt it, no doubt)  
See, Im lost without it, yeah  
You see, this love takes me higher, a little bit higher  
I didnt know why thenTime to admit  
(Time we should admit it)  
Im so addicted, yeah  
You see, Hes taken my heart  
And showed me the right way  
(Showed me the way)Theres no doubt about it  
(Doubt it, no doubt)  
See, Im lost without it, yeah
