

I Can See You

Black Flag

I can see you
You can see me
I can hear you
You can hear me
I can feel you
You can feel me
I can see you
You can see me
I can hear you
You can hear me
I can feel you
You can feel me
Don't Stab me in the back
I can see you
You can see me
I can hear you
You can hear me
I can feel you
You can feel me
I can see you
You can see me
I can hear you
You can hear me
I can feel you
You can feel me
Don't Stab me in the back
I can see you
You can see me
I can hear you
You can hear me
I can feel you
You can feel me
I can see you
You can see me
I can hear you
You can hear me
I can feel you
You can feel me
Don't Stab me in the back
Don't Stab me in the back

Don't Stab me in the back I can feel you
Really, I can,
Friend
