Breathing

Lifehouse

I'm finding my way back to sanity again
Though I don't really know what I'm going to do when I get there
Take a breath and hold on tight, spin around one more time
And gracefully fall back to the arms of Grace'Cause I am hanging on every word you say and
Even if you don't want to speak tonight that's alright, alright with me
'Cause I want nothing more than to sit outside Heaven's door
And listen to you breathing, is where I want to be, yeah
Where I want to beI'm looking past the shadows in my mind into the truth and I'm
Trying to identify the voices in my head, God which one's you?
Let me feel one more time what it feels like to feel alive
And break these calluses off of me, one more time'Cause I am hanging on every word you say and
Even if you don't want to speak tonight that's alright, alright with me
'Cause I want nothing more than to sit outside your door
And listen to you breathing, is where I want to be, yeahI don't want a thing from you
Bet you're tired of me waiting for the scraps
To fall off your table to the ground
'Cause I just want to be here now'Cause I am hanging on every word you say and
Even if you don't want to speak tonight that's alright, alright with me
'Cause I want nothing more than to sit outside Heaven's door
And listen to you breathing, is where I want to be, yeah'Cause I am hanging on every word you say and
Even if you don't want to speak tonight that's alright, alright with me
'Cause I want nothing more than to sit outside Heaven's door
And listen to you breathing, is where I want to be, yeahWhere I want to be
Where I want to be
