

# Everybody but Me (Christoffer remix)

Lykke Li

Ooh, I'm standing in the corner  
Thinking all I want to  
What am I to do?  
Should I go home still sober  
Should I buy me another glass of wine  
And forget about time Though my jeans are too tight  
Don't feel like dancing  
And all this light is too bright  
Don't feel like shining  
Though this room is too small  
I'd rather stand against the wall  
And hope that no one sees me And everybody's dancing  
I don't want to  
And everybody's toying  
I don't want to  
And everybody's laughing  
I don't want to  
Everybody but me And everybody's drinking  
I don't want to  
And everybody's using  
I don't need more  
And everybody's floating  
I don't want to  
Everybody but me, yeah I get the creeps from all the people in here  
I cannot breathe, it's too crowded in here  
Don't look at me  
I don't wanna be seen touched heard bothered  
By the fellas who got a look in their eye  
They wanna take me home without knowing my name  
They wanna put me on  
But do they not know is that I'm not like the others And everybody's dancing  
I don't want to  
And everybody's toying  
I don't want to  
And everybody's laughing  
I don't want to  
Everybody but me And everybody's drinking  
I don't want to  
And everybody's using

I don't need more  
And everybody's floating  
I don't want to  
Everybody but meAnd everybody's dancing  
I don't want to  
And everybody's toying  
I don't want to  
And everybody's laughing  
I don't want to  
Everybody but meAnd everybody's drinking  
I don't want to  
And everybody's using  
I don't need more  
And everybody's floating  
I don't want to  
Everybody but me
