

# Mr. Chatterbox (Dub)

## Bob Marley

Mr. Chatterbox how long will you live?  
Always to receive but never to give  
Always carry news all over the place  
Mr. Chatterbox you are a big disgrace You cheek and you tongue  
A go let you down and a when them let you down  
We a go batter you around  
Bif-an, baf-an, boof-an, that's the blows you gonna get  
Mr. Chatterbox, I know you will regret  
Mr. Chatterbox how long will you live?  
Always to receive but never to give  
Always carry news all over the place  
Mr. Chatterbox you are a big disgrace You cheek, cheek cheek and tongue, tongue, tongue  
A go let you down and a when them let you down  
We a go batter you around, hey  
Bif-an, baf-an, boof, those are the blows you're gonna get, hey  
Mr. Talkative, I know you will regret Mr. Chatterbox how long will you live?  
Always to receive but a never to give  
Always carry news all over the place  
Mr. Chatterbox you are a big disgrace  
You cheek and tongue  
A go let you down and a when them let you down  
We a go batter you around  
Bif-an, baf-an, boof-an, that's the blows you gonna get  
Mr. Chatterbox, I know you will regret Ooh yeah, Mr. Chatterbox  
Ooh yeah, Mr. Chatterbox  
Ooh yeah
