

See You In a Month

Up Up Down Down Left Right Left Right B A Start

i'll see you in a month and maybe we'll talk about everything thats happened from then to now

i'm listening to everything i used to prentend to be

and now i'm hardly aware of everything

and how about yourself?

i'm fine and that's what i've been telling

everyone else who's wondering why i'm being nice tonight

i'm fine

if i say it this time

is that what you want to hear?

but then what's left to be said?

"i'm happy" yeild to "i'm fine"

and i'm happy we're safe
