Spoken Like A Man

Blaine Larsen

Guys are playin' pool, longnecks in a bucket
Braggin' about their luck with the ladies in bed
Laughin' when they ask him for all the dirty details
He don't say nothin' just starts shakin' his head
Spoken like a man, devoted to a woman
Not just any woman, but the love of his life
Spoken like a man, crazy 'bout the feelin'
He gets every evenin' when they turn out the light
Cue behind the eight, he's starin' down the table
There's a cutie 'cross the room tryin' to catch his eye
She walks across the bar with her number on a napkin
He gives it to a buddy with a wink and a smile
Spoken like a man, devoted to a woman
Not just any woman, but the love of his life
Spoken like a man, crazy 'bout the feelin'
He gets every evenin' when they turn out the light
He pays his tab, pulls his keys out of his pocket
The boys say, "Where you goin'? Just one more game
Give us one good reason why you can't hang?"
Turns at the door and just holds up his ring
Spoken like a man, devoted to a woman
Not just any woman, but the love of his life
Spoken like a man, crazy 'bout the feelin'
He gets every evenin' when they turn out the light
Spoken like a man
Spoken like a man
Spoken like a man
