Walking In The Rain

The Ronettes

I want him, and I need him,
And someday someway woo I'll meet him
He'll be kind of shy, and real good lookin' too
And I'll be certain he's my guy by the things he'll like to doLike walking in the rain (like walking in the rain)
And wishing on the stars (and wishing on the stars) up above
And being so in loveWhen he's near me, I'll kiss him,
And when he leaves me woo I'll miss him
Though sometimes we'll fight, I won't really care
And I'll know it's gonna be alright 'cause we've got so much we shareLike walking in the rain (like walking in the rain)
And wishing on the stars (and wishing on the stars) up above
And being so in love(Johnny) no no he'll never do
(Bobby) no it isn't him too
They would never no they'd never never ever ever love
Walking in the rain (like walking in the rain)
And wishing on the stars (and wishing on the stars) up above
And being so in loveOh oh oh where can he be oh oh
