

# Hold Your Tongue

## Jump, Little Children

Hold your tongue and walk away  
Say it's been a lovely day  
Say tomorrow evening's fine  
Meet me by Saint John's divine Until discordant bells have rung  
Hold, hold your tongue Hold your tongue and walk away  
Say it's been a heavenly day  
Angels sing a lullaby  
Hush now don't you start to cry Gilded wing and silver lung  
Hold, hold your tongue I'll say what I want to say  
And when I want it said  
But tonight's not coming down on me Hold your tongue until it's gone  
All your words might come undone  
Say goodnight and walk away  
Silent bells begin to sway Chiming melodies unsung  
Hold, hold your tongue And hold, hold your tongue  
And hold, hold your tongue
