Air for Free

Relient K

We can't do anything when there's nothing to do
Can't find the energy to put on my shoes
I will resign to stay on the couch
A novel idea, nothing to worry aboutAir for free
If I sink to the darkest depths
Will you be there for me?
To hold my hand while I hold my breath
Cause I don't wanna go
I've got all this energy
Saving for you
We can do anything
So what should we do?Hang a map on the wall
Circle it all
It's our oyster
It's our oysterAir for free
If I sink to the darkest depths
Will you be there for me?
To hold my hand while I hold my breath
Cause I don't wanna go
Life is there scaring me
Will you hold my hand while I hold my breath?
Cause I don't wanna go
Cause I don't wanna go
Cause I don't wanna go
