Oh
Baby
Uh Dip dip, ^ drop drop
Boy I'm real hot
Baby don't stop I'mma put these legs behind my head
Throw these panties behind the bed, uh
Remember all that shit you said
No foreplay I'm already wet Back it up, ^ back it up
Boy it's going down
Drop it low, ^ drop it low
Ass to the ground
Baby, baby I gotta know now
If you ready for what's about to go down I'mma fuck you, ^ like I'm tryna pay bills
Georgia power
Cable bill
Baby sitter
Tonight you will Let me tie up my weave, ^ don't wanna mess it up
When I'm deep up in them sheets
A lot of time spent on my knees, ^ but I damn sure ain't praying
I'm gone tell you what you wanna hear
When you put them legs up in the air
Boy you got that work, ^ got my booty bouncing everywhere
Left to the right I'm gonna go all night
How you feeling good like that, lean it it's right oh Back it up, back it up
Boy it's going down
Drop it low, drop it low
Ass to the ground
Baby, baby I gotta know now
If you ready for what's about to go down I'mma fuck you, like I'm tryna pay bills
Georgia power
Cable bill
Baby sitter

Tonight you will oh oh I'mma give you birthday sex on a regular day

Oh

I'mma have you asking bout it, you gone give me praise

Ho

I'mma give it to you every type of way, yeah

Oh

So there ain't nothing left for me to stay yeah You know

Sometimes you just gotta pay what you owe

I mean

Sometimes she does it so good

You just need to tip her I'mma fuck you like I'm tryna pay bills

Georgia power

Cable bill

Like I'm tryna pay bills

Georgia power

Cable bill

Baby sitter
