

# Blame it on my youth

Inger Marie Gundersen

If, I expected love  
When first we kissed, blame it on my youth  
If only just for you  
I did exist, blame it on my youth I believed in everything  
Like a child of three  
You meant more than anything  
You meant all the world to me If, you were on my mind  
All night and day, blame it on my youth  
If, I forgot to eat  
And sleep and pray, blame it on my youth If I cried a little bit  
When first I learned the truth  
Don't blame it on my heart  
Blame it on my youth
