# So Right

## Jermaine Jackson

There was nothing I could do boy
I'll tell you from the heart
Right from the start
It wasn't me and you
And if I'm gonna be with you boy
I'm tired of all the games
You know we want the same
What am I to do?
Can I give you a sign?
Tell you you're mine
Because it's so right
When we all get back together
Me and my friends are for ever and ever
So nice when we're all sharing our dreams
There for each other, you know just what I mean
Back to back, cheek to cheek
This is where we like to meet
Don't be shy, don't be late
Meeting here with all our mates
Because you know when I'm with you girl
We'll always get along
Feeling so strong
You're like a rock to me
Now when you're with another
We'll always be the same
Like sunshine in the rain
Do you know what you mean to me?
Can I give you a sign?
Tell you you're mine
Because it's so right
When we all get back together
Me and my friends are for ever and ever
So nice when we're all sharing our dreams
There for each other you know just what I mean
Because it's so right
When we all get back together
Me and my friends are for ever and ever
So nice when we're all sharing our dreams
There for each other you know just what I mean

Because it's so right
When we all get back together
Me and my friends are for ever and ever
So nice when we're all sharing our dreams
There for each other you know just what I mean
Because it's so right
When we all get back together
Me and my friends are for ever and ever
So nice when we're all sharing our dreams
There for each other you know just what I mean
