I Only Ask Of god

Outlandish

I only ask of God
He wont let me be indifferent to the suffering
That the very dried up death doesnt find me
Empty and without having given my everythingI only ask of God
He wont let me be indifferent to the warsIt is a big monster which treads hard
On the poor innocence of people
It is a big monster which treads hard
On the poor innocence of peoplePeople, people, peopleI only ask of God
He wont let me be indifferent to the injustice
That they do not slap my other cheek
After a claw has scratched my whole bodyI only ask of God
He wont let me be indifferent to the warsIt is a big monster which treads hard
On the poor innocence of people
It is a big monster which treads hard
On the poor innocence of peoplePeople, people, peopleSolo le pido a Dios
Que la guerra no me sea indiferenteEs un monstro grande y pisa fuerte
Toda la pobre inocencia de la gente
Es un monstro grande y pisa fuerte
Toda la pobre inocencia de la gentePeople, people, people
