

Tiptoe

Goldfrapp

You feel good
You feel right
You're so goodYou feel good
You feel right
You're so goodTiptoe
Over me
TiptoeTiptoe
Over me
TiptoeYou feel good
You feel right
You're so goodTears start
Go down
Hear the lowTears start
Go far
Burst outTears start
Go down
Hear the lowTears just started over you
And I'm not over youTears start
Go down
Hear the lowTears just started over you
And I'm not over you
