I've Waited As Long As I Can

Tony Rice

I've waited for you and I've always been true
But this waiting no longer I can stand
I know you've had time, dear to make up your mind
I've waited as long as I canI'm waiting to hear you say you love me
And long for the day you take my hand
I asked again last night, for your love so divine
I've waited as long as I canDone all I can do, said all I can say
Oh, why can't I make you understand
I wanted you for mine, but I'm wasting my time
I've waited as long as I canI'm waiting to hear you say you love me
And long for the day you take my hand
I asked again last night, for your love so divine
I've waited as long as I canNow I'll just say goodbye the tears fall from my eyes
For you have made it plain that I can't win
No one will ever know, the pain that I've been through
I've waited as long as I canI'm waiting to hear you say you love me
And long for the day you take my hand
I asked again last night, for your love so divine
I've waited as long as I canI'm waiting to hear you say you love me
And long for the day you take my hand
I asked again last night, for your love so divine
I've waited as long as I can
