

# I've Waited As Long As I Can

[Tony Rice](#)

I've waited for you and I've always been true  
But this waiting no longer I can stand  
I know you've had time, dear to make up your mind  
I've waited as long as I can I'm waiting to hear you say you love me  
And long for the day you take my hand  
I asked again last night, for your love so divine  
I've waited as long as I can Done all I can do, said all I can say  
Oh, why can't I make you understand  
I wanted you for mine, but I'm wasting my time  
I've waited as long as I can I'm waiting to hear you say you love me  
And long for the day you take my hand  
I asked again last night, for your love so divine  
I've waited as long as I can Now I'll just say goodbye the tears fall from my eyes  
For you have made it plain that I can't win  
No one will ever know, the pain that I've been through  
I've waited as long as I can I'm waiting to hear you say you love me  
And long for the day you take my hand  
I asked again last night, for your love so divine  
I've waited as long as I can I'm waiting to hear you say you love me  
And long for the day you take my hand  
I asked again last night, for your love so divine  
I've waited as long as I can
