The Prophets Eye

Bad Brains

The Prophets eye
What did aya see
The Prophets eyeWe know you sit there and see what's going on,
and take a sigh
Cause after all you done for them one still can't learn,
nourish the land
Well if you think it's easy to give up
then why are we still trying
Beefsteak to mistake don't beam me up Scotty
Let the words of I and I mouth be acceptable
in thy sight
And the meditation of I and I, Oh Ras TafariThe Prophets eye
The Prophets eyeWe know you sit there and see what's going on,
and take a side
Cause after all you done for them one still can't learn,
nourish the land
Yes they're theirs, there's a brighter side
And we not going to stop till we find it,
not going to stop till we reach
Lord
not going to stop till we reach ZionThe Prophets eye
What did aya see
The Prophets eyeLet the words of I and I mouth be acceptable
in thy sight
And the meditation of I and I, Oh Ras TafariThe Prophets eye
The Prophets eyeThe Prophets eye
The Prophets eye
The Prophets eye
The Prophets eye
The Prophets eye
The Prophets eye
