

# Dear Marie

[John Mayer](#)

Dear Marie, tell me what it was I used to be  
Dear Marie, tell me what it was I used to be  
And if youre further up the road can you show me what I still cant see. Remember me, Im the boy you used to  
love when we were fifteen  
Remember me, Im the boy you used to love when we were fifteen  
Now I wonder what you think when you see me on the magazine. From time to time, I go looking for your  
photograph online  
From time to time, I go looking for your photograph online  
Some county judge in Ohio is all I ever find. Dear Marie, tell me do you still believe in me  
Dear Marie, tell me do you still believe in me  
Yeah Ive got my dream but youve got family  
Yeah Ive got my dream but youve got family  
Yeah Ive got my dream but I guess it got away from me
