Like the Average Stalker

Soilwork

I think you just forgot to tell me why
Why I was fading out again
Why my mask of sanity was slipping off again, my friend
Beware of hatred when your time stands stillLike the average stalker, forge to forgive
Like the average stalkerI'm just sliding, disappear into the night
Like a strange and a forgotten light
One, two, three, four and I'm at your door
Calculating infinityIn my silence where no one else can hear
What is right, what is wrongIn my silence where no one else forgives
Where the sane and insane strikes together as oneLike the average stalker, forge to forgive
Like the average stalkerWhere is the fire, it makes no sense at all
I'm just hiding beneath the hour
Disabled through affliction I can't reach out
Reach out, reach outIn my silence where no one else can hear
What is right, what is wrongIn my silence where no one else forgive
Where the sane and insane strikes together as oneWith a violent work of art I proceed
In this lack of faith I get what I need
What I need!Like the average stalker, forge to forgive
Like the average stalkerLike a silent talker
Like the average stalker
