

# Fever

## Lady Gaga

Another headache, another heartbreak  
I try to sleep it all off but it won't take  
Another turn-around, another let-down  
I see your lips move but there's no sound  
Another slow finish, I'm getting lost in it  
I just can't keep my head from spinning  
I can't make this work right with or without it

Why can't you just

(Oh)

Make your mind up, I'm dizzy

(Oh)

You only ever disappoint me

(Oh)

You're making me sick when you don't speak

(Oh)

Boy, you're always giving me

Fever

(Fever)

Fever

(Fever)

Fever

Boy, you're only giving me

Fever

(Fever)

Fever

(Fever)

Fever

Boy, you're always giving me

Another cold-sweat, another regret

Another thing that I want but I won't get

Another nice try, another alibi

There's not a nice way to say this, it's goodbye

Another easy-come, another easy-go

Another "We're done if you say so"

I can't make this work right with or without it

Why can't you just

(Oh)

Make your mind up, I'm dizzy

(Oh)

You only ever disappoint me  
(Oh)  
You're making me sick when you don't speak  
(Oh)  
Boy, you're always giving me  
Fever  
(Fever)  
Fever  
(Fever)  
Fever  
Boy, you're only giving me  
Fever  
(Fever)  
Fever  
(Fever)  
Fever  
Boy, you're always giving me  
Fever  
(Fever)  
Fever  
(Fever)  
Fever  
Boy, you're only giving me  
Fever  
(Fever)  
Fever  
(Fever)  
Fever  
Boy, you're always giving me  
My heart's in repair, what you say, I don't care  
As long as you just say something  
Let me know where I stand, am I in demand?  
Or should I just run while I can?  
Make your mind up, I'm dizzy  
You only ever disappoint me  
You're making me sick when you don't speak  
Boy, you're always giving me  
(Oh)  
Make your mind up, I'm dizzy  
(Oh)  
You only ever disappoint me  
(Oh)  
You're making me sick when you don't speak  
(Oh)  
Boy, you're always giving me

Fever  
(Fever)  
Fever  
(Fever)  
Fever  
Boy, you're only giving me  
Fever  
(Fever)  
Fever  
(Fever)  
Fever  
Boy, you're always giving me  
Fever  
(Fever)  
Fever  
(Fever)  
Fever  
Boy, you're only giving me  
Fever  
(Fever)  
Fever  
(Fever)  
Fever  
Boy, you're always giving me fever
