

I'm Lookin' for Someone to Love

Buddy Holly

Stayin' at home, waitin' for you
Just won't get it 'cause you say we're through an'I'm lookin' for someone to love
I'm lookin' for someone to love
Well if you're not here
My baby I don't care
Because I'm lookin' for someone to lovePlayin' the field all day long
Since I found out that I was wronged nowI'm lookin' for someone to love
I'm lookin' for someone to love
Well if you're not here
My baby I don't care
Because I'm lookin' for someone to loveDrunk man, street car
Foot slipped there you are nowI'm lookin' for someone to love
I'm lookin' for someone to love
Well if you're not here
My baby I don't care
Because I'm lookin' for someone to loveCaught myself, thinkin' of you
You can't love me and an other one tooWell I'm lookin' for someone to love
I'm lookin' for someone to love
Well if you're not here
My baby I don't care
Because I'm lookin' for someone to love
