Electric Current

Lower Dens

I only wanna dance with you
All night, on the street
Well I'm gonna take you everywhere
And never ask you who you are
We don't need to pretendSinewed serpent
Gold-encrusted
Silver-tongued
Electric currentI think it's possible
We have the same dream
But I don't expect you to believe
I'm never gonna give it up
We don't need to pretend
Sinewed serpent
Filth-encrusted
Silver-tongued
Electric current
