Catch Me I'm Falling

Toni Gonzaga

I don't know why
But when I look in your eyes
I feel something that feels so right
You've got yours
I've got mine
I think I'm losing my mind
'Cause I shouldn't feel this wayCatch me
I'm fallin' for you
And I don't know what to doHow can something so wrong
Feels so right all along
Catch me
I'm fallin' for you
How can time be so wrong
For love to come along
Catch me
I'm fallin' for youHow can love let it grow
When it has no place to go
And can't go along pretending
That love isn't here to stay
Catch me I'm Fallin' for youIf I could just walk away
Without you from day to day
I would die just of thinking of you
I know we can't ever be
More than friends
You and me
But why do I feel this wayCatch me
I'm fallin' for you
And I don't know what to doHow can something so wrong
Feels so right all along
Catch me
I'm fallin' for you
How can time be so wrong
For love to come along
Catch me
I'm fallin' for youMaybe someday I'll see
Why love did this to me
'Cause I can't go along pretending
That love isn't here to stay
Catch me I'm Fallin' for you...Catch me I'm Fallin' for you

And it's wrong for me to feel this way
'Cause I don't know what to do
Without you
I'm falling for you...Catch me
I'm fallin' for youHow can something so wrong
Feels so right all along
Catch me
I'm fallin' for you
