

# Hit the Road and Go

Johnny Cash

I woke up this afternoon and looked into your eyes  
And somethin' was as wrong as if the sun forgot to rise  
I picked up a road map and I checked a few good places that I know  
And if you're no longer givin', I believe I'll hit the road and go I just got the feelin' that the fire was burnin' out  
'Cause the air was turnin' colder every time you came about  
And a flame won't take a fannin' if the last reserve of love is runnin' low  
So since I've gotta button up, I believe I'll hit the road and go County road 6-40, State Highway 45  
Life out of the interstate is very much alive  
There's magic in the mountains and music in the valleys down below  
And my song ain't through playin' yet so I believe I'll hit the road and go Good morning to you sunshine, good  
morning to you rain  
The windshield wiper's rhythm keeps me singin' down the pain  
Today I'm gonna miss you less if I miss you at all  
You'll never know, you'll never know  
This Rambler has cut all the ties and pulled up stakes to hit the road and go  
This Rambler has cut all the ties and pulled up stakes to hit the road and go
