

Buffalo (Live at Brighton)

Gaz Coombes

Buffalo, buffalo
Open up, take me home
I'm an acrobat on the wire
I'mma call in the nines
I giant leap into the dark
I wish I could jump to the start
Buffalo, buffalo
Open up, take me home 'Cause all my tears
Fall like sand
You're my only hope
Run in circles
Lost my way
I found the only road
Skin and bone, skin and bone
Hold me up when I'm alone
I'm a bird on the wing
I'm a stone clashing in
I try to sleep when the roof is stuck
Let me crawl into your arms
Buffalo, buffalo
Open up, take me home
'Cause all my tears
Turn to sand
You're my only hope
Run in circles
Lost my way
I found the only road Ooh Ooh Ooh
