

Heaven (live)

Talking Heads

Everyone is trying
To get to the bar
The name of the bar
The bar is called heavenThe band in heaven
They play my favorite song
Play it one more time
Play it all night longHeaven
Heaven is a place
A place where nothing
Nothing ever happens
Heaven
Heaven is a place
A place where nothing
Nothing ever happensThere is a party
Everyone is there
Everyone will leave
At exactly the same timeIt's hard to imagine that
Nothing at all
Could be so exciting
Could be this much funHeaven
Heaven is a place
A place where nothing
Nothing ever happens
Heaven
Heaven is a place
A place where nothing
Nothing ever happensWhen this kiss is over
It will start again
It will not be any different
It will be exactly the sameIt's hard to imagine
That nothing at all
Could be so exciting
Could be this much funHeaven
Heaven is a place
A place where nothing
Nothing ever happens
Heaven
Heaven is a place
A place where nothing

Nothing ever happens
