

Anytime

Journey

Ooh, anytime that you want me
Ooh, anytime that you need meOoh, anytime that you want me to
Ooh, anytime that you need meI'm standing here with my arms a mile wide
I'm hoping and praying for you
Listen to me and enlighten me, yeah
I hope that you need me too, 'causeOoh, anytime that you want me
Ooh, anytime that you need meGive me all of your sunshine
A spark is all I need
To take it away, all of the shadows
Well, what more can I say yeah, yeahOh, anytime at all
Anytime at all
Anytime at allOoh, anytime that you want me
Ooh, anytime that you need meOoh, anytime that you want me to
Ooh, anytime that you want meOoh, anytime that you need me
Ooh, anytime that you want me to
