Mary Pickford (used To Eat Roses)

Katie Melua

Mary Pickford used to eat roses
Thought that they?d make her
Beautiful and they did
One supposes
Douglas Fairbanks, he was so handsome
He wore a mustache
Must?ve had much cash too
Worth a king?s ransom
Charlie Chaplin, he was invited
When these artists became united
When these artists became united
David Griffith worked as an extra
Then as a stagehand
Until they let him be
A director
Dave was brave, a mover and shaker
A true pioneer
He seemed to show no fear
A real film maker
Just like Chaplin he was invited
When these artists became united
When these artists became united
They tied the knot together
Groom and bride couldn?t hide their pleasure
They tried to pick fair weather
But love died and didn?t last forever
Mary Pickford used to eat roses
Thought that they?d make her
Beautiful and they did
One supposes
Douglas Fairbanks, he was so handsome
He wore a mustache
Must?ve had much cash too
Worth a king?s ransom
Charlie Chaplin, he was invited
When these artists became united
When these artists became united
When these artists became united
