## **Lost Boys and Golden Girls**

## **Meat Loaf**

Lost boys and golden girls

Down on the corner and all around the world

Lost boys and golden girls

Down on the corner and all around, all around the worldIt doesn't matter where they're going Or wherever they've been

'Cause they got one thing in common, it's trueThey'll never let a night like tonight go to waste

And let me tell you something

Neither will you, neither will youWe gotta be fast, we were born out of time Born out of time and alone

And we'll never be as young as we are right now

Running away and running for home, running for homeIt doesn't matter where they're going

Or wherever they've been

'Cause they got one thing in common, it's trueThey'll never let a night like tonight go to waste

And let me tell you something

Neither will you, neither will you, neither will youLost boys and golden girls

Down on the corner and all around the world

Lost boys and golden girls

Down on the corner and all around, all around the world
