

# Smiling Faces Sometimes

Joan Osborne

Smiling faces sometimes  
Pretend to be your friend  
Smiling faces show no traces  
Of the evil that lurks withinThe truth is in the eyes  
'Cause the eyes don't lie, Amen  
Remember, a smile is just a frown turned upside down  
My friend, so hear me when I'm sayingSmiling faces, smiling faces sometimes  
They don't tell the truth  
Smiling faces, smiling faces  
Tell lies and I got proofBeware, beware of the handshake that hides the snake  
Beware, beware of the pat on the back, it just might hold you back  
Jealousy, jealousy, misery, misery  
Envy, envy, I tell you, you can't see behindSmiling faces, smiling faces sometimes  
They don't tell the truth  
Smiling faces, smiling faces  
Tell lies and I got proofYour enemy won't do you no harm  
'Cause you'll know where he's coming from  
Don't let the handshake and the smile fool ya  
Take my advice I'm only try' to school yaSmiling faces, smiling faces sometimes  
They don't tell the truth  
Smiling faces, smiling faces  
Tell lies and I got proof  
Lies, lies, lies, lies, lies, liesDon't be pulled in by the charm  
A million dollar smile  
Can be quiet constantly
