The Look Of Love

Slum Village

[53 seconds of a live performance to open]What is the look of
It got somethin to do with umm
Bein a man and handlin your biz
What love got to do with it
Ask S.V. it's all bullshit
You know what love is
Say it with me one time - you know what love is
Be on some love shit - you know what love is
S.V. on some love shit - you know what love is
And to the bitches that love dick, and masturbate
No need for that, I get down for rap
Say word {*scratched: "Word"*}
Take it back, take take it back
What is the look of
It got somethin to do with umm
Bein a man and handlin your biz
What love got to do with it
Ask S.V. it's all bullshit
You know what love is
Say it with me one time - you know what love is
You know what love is
You know what love isThe motorbot, hasn't been slept on for a long time
It's time for me to put my mack down
But in the meantime...
Let me tell you 'bout a bitch named...
The woman looked so good she make you masturbate
Come into my life, let me show you how I operate
My name is Rassur, but you can call me, a gigolo
My teacher name is... yup yup, you know how we roll
I had a lot of shit to do, back in her astral
(Baatin nigga come back to earth) What can I do for you
Back in this bitch, comin through with my new suit
Nigga lookin fly, cause you know we got a lot of loot
When I'm on the mic, a nigga throw down his blunt
Just to hear what we say, up in this bitch
You know what love is
Say it with me now - you know what love is
What is the look of
It got somethin to do with umm

Bein a man and handlin your biz
What love got to do with it
Ask S.V. it's all bullshit
You know what love isT3 is on the love tip y'all (you know what love is)
Yo the S is on some love tip (you know what love is)
T3 is on some love tip (you know what love is)
She said "I wanna be down with the S"
I said "Certainly let me taste your splendorness"
Bustin a Virgo, you were scandalous
Your fragrance got me losin consciousness
Your stance got me unbuckling my fucking pants
Spending, clams to finance on the two dollar romance
To do dick, to the tip, get a lick
Tell a bitch, the S is the shit, so eat a dick
You need to, you need to just give me your clit
As I get nasty like an old porno flick
Oral sex, got me caught up in the {?} bliss
T-Cedric, as I drop this dick between her tits
Yesssss... (you know what love is)
(Say it with me one now - you know what love is)
(You know what love is)What is the look of
It got somethin to do with umm
Bein a man and handlin your biz
What love got to do with it
Ask S.V. it's all bullshit
You know what love is
Say it with me - you know what love is
Uh-huh, uh-huh, you know what love is
You know what love is
You know what love is
