

# U Told Me

## Shareefa

So what, what do I do now  
Do what without you now?  
So what, what do I do now  
Do what without you now?  
U told me that we would always be together  
Said we'd make it through the stormy weather  
But ya locked up now  
U told me don't wait on the floor forever  
Said I gotta look for something better  
'Cause ya locked up now  
I shoulda known from da corner of da block  
That you were wrong  
One day soon you'd be leavin' me alone  
But I gave you da digits anyway  
Ooh, I had my doubts  
But you know how I like 'em thugged out  
Thought for sure  
I could change a thugs route  
But a mans gonna be what a man wants to be  
No matter what ya say sometimes  
You gave me fancy cars, diamonds and pearls  
But without ya here what is it worth?  
Not a damn thing  
Sometimes I cry in the rain for you  
Ya wishin' things could be the way they were  
'Cause all the joy of love turned into hurt  
And I can't take the pain  
These pictures on the wall won't do  
Gangsta u told me that we would always be together  
Said we'd make it through the stormy weather  
But ya locked up now  
U told me don't wait on the floor forever  
Said I gotta look for something better  
'Cause ya locked up now  
I understand that in the game sometimes you lose ya man  
But 25 to life wasn't in the plan, how do I pick up the pieces?  
I keep fallin' to pieces, every time that I see you caged up  
I kept prayin' everyday you'd wake up  
But all the money somehow wasn't enough

I guess you had ya own reasons  
Now it's only teasin' your all  
You gave me fancy cars, diamonds and pearls  
But without ya here what is it worth?  
Not a damn thing  
Sometimes I cry in the rain for you  
Ya wishin' things could be the way they were  
'Cause all the joy of love turned into hurt  
And I can't take the pain  
These pictures on the wall won't do  
Gangsta u told me that we would always be together  
Said we'd make it through the stormy weather  
But ya locked up now  
U told me don't wait on the floor forever  
Said I gotta look for something better  
'Cause ya locked up now  
I've been gain it all, there's no need to fall  
As long as I knew you'd come home  
A simple 9 to 5 and some quality time  
instead of catchin' up on the jail phone  
I tried to let go 'cause ya tellin' me so  
But I don't wanna move on  
I'm down for mine but I'm tired of cryin'  
I gotta face the fact that you're gone  
U told me that we would always be together  
Said we'd make it through the stormy weather  
But ya locked up now  
U told me don't wait on the floor forever  
Said I gotta look for something better  
'Cause ya locked up now  
So what, what do I do now  
Do what without you now?  
So what, what do I do now  
Do what without you now?  
So what, what do I do now  
Do what without you now?  
So what, what do I do now  
Do what without you now?
