# The Hollow Men

## Icycore

Eyes I dare
not meet in dreams
cowering
behind themKeep on falling
lying with you
in the wind
of twilight timeDying light
rememberLet me liveHollow men
you can't help me
only choice you have
watch me burn insideStuffed men
keep denying me
in your world you're dead
falls the ShadowKeep my hands
this time
fall with me
now to eternity
I'll go on
I'll bring to you
like death
dark dreams of
our life againStand with me
with pride
hiding won't
this time
save meFade no more
your light
bound to live
my true ILive your thoughts
just try
find inside my mind
find meKeep untold
my nightfor this time
I can't dieThe Hollow menKeep my hands
just try
fall with me
now to eternityLike a ghost IKeep untold
my night
for this time

be with meEyes I dare
not meet in dreams
but this time
I will know who I amKeep on falling
lying with you
in the wind
of twilight timeDying light
rememberLet me be
