

Do I Ever Cross Your Mind? (with Bonnie Raitt)

Ray Charles

Do I ever cross your mind
Darlin' do you ever see
Some situation somewhere, somehow
Triggers your memory
And do you ever wonder
What became of all the time
And darlin' do I ever, ever cross your mind Do you ever want to know
If all dreams go on endlessly
Or do they just run down
Somehow and gradually become
The custody of that melancholy jailer father time
And darlin' do I ever, ever cross your mind
Do I ever cross your mind
uninvited - when you're lonely
Or does that only, only happen to me
And don't you ever wonder
What became of all the time
And darlin' do I ever, ever cross your mind Do I ever cross your mind
Uninvited when you're lonely
Or does that only, only happen to me
And don't you ever wonder
What became of all the time
And darlin' do I ever, ever cross your mind
And darlin' do I ever, ever cross your mind
