

I Don't Wanna Lose

Eiffel 65

Space, House Of Black House Of Lights
House Of Noise, You've Never Heard
Full Of Vacuum And
Crowded Of ShadowsSpace, Like A Watch With No Time
Like A Book, Without An End
An Equation And
Thousands SolutionsI Don't Wanna Lose My Belief Now
That Space, Somewhere Has A Limit Beyond
What I See And What I Breathe
I LiveI Don't Wanna Lose My Belief Now
That Space, Somewhere Has An End And Beyond
Who Knows What We Will Find Out There
Somewhere(female echo)Oaahhh, oaahh, oaaahhh
oooooo aaaahhh
aaaaaa oaaaaah
oaaaah
oaaaah oaaaaah
aahhhh ahhhhh.....Space, House Of Black House Of Lights
House Of Noise, You've Never Heard
Full Of Vacuum And
Crowded Of ShadowsSpace, Like A Watch With No Time
Like A Book, Without An End
An Equation And
Thousands SolutionsI Don't Wanna Lose My Belief Now
That Space, Somewhere Has A Limit Beyond
What I See And What I Breathe
I Live(female echo) (background)I Don't Wanna Lose My Belief Now
