

Angela (Commentary)

Missy Higgins

Clear the way, she's coming through
With her eyeshadow of satin blue
And her fingernails all painted new
She's a danger you're addicted to Angela, Angela
You're a danger he's addicted to So, move aside she has arrived
With her baby neck and sleepy eyes
She has heels that walk all over you
She's a danger you're addicted to Angela, Angela
You're a danger he's addicted to
Oh, Angela, Angela
You're a danger he's addicted to And I try to be more like you
Speak louder and prouder and hiding my love
But it spills out, oh Angela, Angela
You're a danger he's addicted to
Oh, Angela, Angela
You're a danger he's addicted to You're a danger he's addicted to
So, I'll try to be more, more like you
