Sorry For Everything

Dead by April

Sometimes you've said I didn't listen to your words
That I even made you cry
Maybe I didn't show in every possible way
how much I caredI'm sorry for
not being myself
For everything
ending this wayMaybe I maybe you
could made this change
I'm sorry for
for everythingI wish that I
could stop your tears
from falling downBut unlike me I make it worseMaybe I wasn't always there
But it doesn't mean I don't careWhatever it wasI'm sorry for not being myself
For everything
ending this wayMaybe I maybe you could made this change
I'm sorry for
For everythingWe're minutes away
from saying goodbye for all of time
I'm second away
from breaking apartI'm sorry for
for everything (I'm sorry for not being myself)For everything
ending this way
maybe I maybe you could made this changeI'm sorry for (I'm sorry for everything) for everything (for everything)
