

Sorry For Everything

Dead by April

Sometimes you've said I didn't listen to your words
That I even made you cry
Maybe I didn't show in every possible way
how much I cared I'm sorry for
not being myself
For everything
ending this way Maybe I maybe you
could made this change
I'm sorry for
for everything I wish that I
could stop your tears
from falling down But unlike me I make it worse Maybe I wasn't always there
But it doesn't mean I don't care Whatever it was I'm sorry for not being myself
For everything
ending this way Maybe I maybe you could made this change
I'm sorry for
For everything We're minutes away
from saying goodbye for all of time
I'm second away
from breaking apart I'm sorry for
for everything (I'm sorry for not being myself) For everything
ending this way
maybe I maybe you could made this change I'm sorry for (I'm sorry for everything) for everything (for
everything)
