

All Your Sisters

Mazzy Star

And I knew, I was close to you
And I knew
Catch me flying in the sun
Catch me drinking of your wine I'm gonna put something in you
Make the devil feel surprised
All your sisters wanna fly
Around my golden sky
Around my golden sky Just because you feel
Hollow inside it's real
Just because you feel
Hollow inside it's real I'm gonna put something in you
Make the devil feel surprised
Make the devil feel surprised And I knew I, was close to you
And I knew
Catch me flying in the sun
Catch me drinking of your wine
