Tearful Girl

Waaktaar & Zoe

Pull the drapes
Before the light seeps in
To the darkness within
Dream I ran
Thru a sunlit field
Felt the warmth on my skin
Tearful girl
Someone's talking to me
Tearful girl
But the face I can't see
Here we are
Hamsters in a wheel
It's all in the file
See the chessboard
Waiting for a game
Pawns lined up to die
Tear...
Tearful girl
Her voice coming thru
Tearful girl
Earth, where is the new
Tearful girl
Her voice coming thru
