

# Hottie

Ashley Ballard

I've been staring down the road  
You've been up the street  
I think it's about time  
You come talkin' to me I see the way you look at me  
You see I don't mind  
I know that you've been thinkin' about  
The perfect opening line It's a shame you  
Keep playin' your game  
'Cause I don't wanna wait no more You can be my hottie, hottie  
Not just anybody, body  
Everybody knows how the story goes  
We can have a party, party  
You, me and nobody, body  
Everybody knows how the story goes I was hangin' with my friends  
You were all alone  
I thought you would talk to me  
But you were on the phone I don't know the reason for  
Why you're so shy  
Even when I call your name  
You keep on passin' me by It's a shame you  
Keep playin' your game  
'Cause I don't wanna wait no more You can be my hottie, hottie  
Not just anybody, body  
Everybody knows how the story goes  
We can have a party, party  
You, me and nobody, body  
Everybody knows how the story goes Finally, you come talkin' to me  
I want you in my life  
You will see that  
Once upon a time not long ago There was a guy  
Who was a show  
Now you realize  
Don't wanna wait anymore No more, no more, no  
Don't wanna wait anymore  
No more, no more, no  
Don't wanna wait anymore No more, no more, no  
Don't wanna wait anymore  
No more, no more, no  
Don't wanna wait anymore You can be my hottie, hottie

Not just anybody, body  
Everybody knows how the story goes  
We can have a party, party  
You, me and nobody, body  
Everybody knows how the story goes You can be my hottie, hottie  
Not just anybody, body  
Everybody knows how the story goes  
We can have a party, party  
You, me and nobody, body  
Everybody knows how the story goes
