

French Montana

[illegible]

Get it, get it! Bust it open!
Get it, get it! Bust it open!
Get it, get it! Bust it open! Get the scale, bust it open
Hit the head, close the coffin
Them Coke Boys, them made it corporate
Pass the pill, call me Crawford
Ass fat, hips wide
Take you 'round the world 'bout six times
Bust it open, Coke Boy
Strippers fell in love with this dope boy
We seen that brown bag turn clear
I'd done seen your favourite rappers turned fiends
We was serving them the coke,
We get it straight off the boat Get it, get it! Bust it open!
Get it, get it! Bust it open!
Get it, get it! Bust it open!
Get it, get it! Bust it open!
Get it, get it! Bust it open!
Get it, get it! Bust it open!
Get it, get it! Bust it open!
Get it, get it! Bust it open!
Get it, get it! Bust it open!
Get it, get it! Bust it open!
Get it, get it! Bust it open!
Get it, get it! Bust it open!
Get it, get it! Bust it open!
Get it, get it! Bust it open!
Get it, get it! Bust it open!
East coast, bust it open
Down south, bust it open
West coast, bust it open
Midwest, bust it open
That East side, bust it open
That West side, bust it open
That Midwest, bust it open
That down south, bust it open
Real bitches, bust it open
Real niggas, bust it open
Real bitches, bust it open
Real niggas, bust it open
Real bitches, bust it open
Real niggas, bust it open
Real bitches, bust it open
Real niggas, bust it open
Haan!
