The Eagle has Landed

Avatar

Come see up close at the feat of a king
I am as I was as I will be
Look at the smoke can you hear me a-screaming
God of above, is beneath meOh wahahaha
What a sensation
What a sensation
Can you feel it
Can you see what I see
A crowning of lights
The lightsLadies and gentlemen
Your hero has returned again
Everything is going to be okay-ay-ay-ay
Ladies and gentlemen
Your shepherd and your very best friend
Bow your head and let us in
To stay-ay-ay-ayBeautiful one you speak without singing
Truly you came uninvited
The hunt has begun and soon you'll be bleeding
Stare at the night sky, ignitedOh wahahaha
What a sensation
What a sensation
Can you feel it
Can you see what I see
A crowning of lights
The lightsLadies and gentlemen
Your hero has returned again
Everything is going to be okay-ay-ay-ay
Ladies and gentlemen
Your shepherd and your very best friend
Bow your head and let us in
To stay-ay-ay-ayLadies and gentlemen
Your hero has returned again
Everything is going to be okay-ay-ay-ay
Ladies and gentlemen
Your shepherd and your very best friend
Bow your head and let us in
To stay-ay-ay-ay, ya ya ya
